Dear Sammy,

I am on holiday with my Mum and Dad in Paris . We travelled from London to Paris on the Eurostar train. The trip took only 150 minutes . When we arrived at the hotel it was time for lunch . My Dad ate some snails ! Ughh ! In the afternoon, we went to the Eiffel Tower . It was great but it suddenly started to rain ! Then, we visited the Palace of Versailles where the Kings and Queens of France lived. The garden was so beautiful with lots of fountains ! The day after, we did some shopping at the Champs Elysees . It was Great !

I bought lots of clothes and a nice gift for you !

Love from Julia
