

Saturday night, I went somewhere.

Where did you go? Where did you go?

I went to Australia and I did something.

What did you do? What did you do?

I drove a F1 car and I met someone.

Who did you meet? Who did you meet?

I met K. R. my F1 star and he did something.

What did he do? What did he do?

He gave me his helmet and he said something.

What did he say? What did he say?

He said: "Let's drive and win that race!" and something happened.

What happened? What happened?

Well! I woke up and the race was over! I missed it ☹️
